Section 2

Definitions:

“CPI”: Consumer Price Index. Calculated annually by the Federal Government and published by the Bureau of Labor Statistics.

“RSF”: Revenue Stabilization Factor. Calculated annually to cover shortfalls resulting from bond covenants for the gas system.

“LAUF”: Loss and Unaccounted for Factor. Calculated annually to account for the difference between gas purchased and sold for the prior calendar year.

“OMC”: Operating and Maintenance Cost. Calculated annually to offset costs of maintenance of the gas system, including but not limited to, fuel for vehicles and labor.

Section 3

In addition to the costs outlined in the foregoing sections, all customers shall be charged the following re-read fees, should they request a re-read of their meter:

In Town Customers: \$15.00

Out of Town Customers: \$25.00

A customer will not be charged a re-read fee if an error is discovered on the part of the Village of Elizabeth. An error occurs when a customer’s meter is read in a mistaken amount upon its first reading in any given month.

If a customer requests for Gas Utility Services to be reconnected or disconnected outside of normal business hours, they will be charged a fee of :

In Town Customers: \$25.00

Out of Town Customers: \$30.00

Section 4

BE IT FURTHER ORDAINED that if any provision or item of this ordinance or the application thereof is held invalid, such invalidity shall not affect other provisions, items, or applications of this ordinance which can be given effect without the invalid provisions, items, or applications, and to this end the provisions of this ordinance are hereby declared severable.
