

# LOVE THE BOOT week

KEEP LOUISIANA BEAUTIFUL  
APRIL 16 -26, 2026

## THE VILLAGE OF ELIZABETH, LA

Would like to invite you to become a "A Leader Against Litter" as we celebrate America's 250th birthday, with Louisiana's Largest Litter Removal and Beautification Event Organized by Keep Louisiana Beautiful.

"Litter has a major impact on the quality of life within our community; we should be **PROUD** of where we live and the impact we make on our environment. When a community has a litter and blighted property problem, it destroys the **PRIDE** that citizens have living there. No one wants to live in an uncared-for community." – Mayor Mandy L. Green
